

# Announcing the **perfect teammate** for ScheduleGalaxy™ Athletic League Software.

Automatically synchronize athletic and other district Facility Use Requests with **ML Schedules™ K12 Facility Request Software**

Move your NYS school district's labor- and time-intensive K12 Facility Use Requests from hard-copy forms and spreadsheets to the cloud with ML Schedules™ Software.

Reduce labor and associated expenses of the Facility Use Request management process by streamlining the approval process to improve staff and community satisfaction.

Available for as little as \$100/month, the software manages requests from both internal and external groups using intuitive processes and screens custom-built for K12 school districts.

Now, direct integration with ScheduleGalaxy™ Athletic League Software provides real-time updates from the athletic league application to ML Schedules™ K12 Facility Request Software.

Visit MLSchedules.com for more information or call **585.270.6676, x112** to see how ML Schedules™ Software can put some pep in your district's Facility Use Request system.

If your district already subscribes to another Facility Use Request software title, see how ML Schedules™ Software is the affordable, easy-to-use alternative to your current system.
