

# Flexible, affordable on-boarding options that are as easy to use as our software

ML Schedules™ K12 Facility Request Software offers a variety of flexible, affordable on-boarding support options designed to get your district’s system up and running as quickly and efficiently as possible. These on-boarding support costs are in addition to the annual subscription fee.

---

## **Basic On-Boarding Package . . . . . \$595**

Highly recommended for all districts, regardless of size or in-house technical staff and/or available resources. Includes:

- Self-guided, customized Setup Wizard for four major steps
- (4) support calls to review progress, answer questions and provide best practices

---

## **Additional Training . . . . . \$150**

Per 45-minute phone-support session.

---

## **Data Entry . . . . . \$60**

Per hour to enter existing district approved events.

---

## **Onsite Training. . . . . \$600**

- Includes (4) hours of onsite instruction.
- Travel costs not included; quoted based on location and duration of training.

---

All on-boarding package(s) include unlimited e-mail based support.
